

AWARD-WINNING

DESIGN / ON DEMAND

FOR FUTURE-FOCUSED AG ED PROGRAMS

When it's time to level-up your Ag Ed program, **JUST PRESS PLAY.**

AGRICULTURE EDUCATION COMPLEX DESIGN / ON DEMAND package includes:

- » Fully developed educational layouts, including instructional space, exploratory lab and animal ward
- » Detailed construction drawings and specifications for all architecture, mechanical, electrical & plumbing components
- » Choice of colors and finishes
- » Choice of delivery methods: Design-bid-build, Construction Management, Design-Build

BENEFITS

- » Reduced design time of 4 months
- » 50% up-front cost savings off of professional, licensed design fees
- » Faster occupancy
- » Tested and proven design

There isn't always time or money for a custom design solution to fit your building needs.

DESIGN / ON DEMAND solves that problem with fully developed plans available NOW for busy school districts.

Fast. Easy. Cheaper. What's not to like?

The Ag Ed Complex is a simple solution, rooted in years of research, that garnered top design honors for educational excellence in the heart of farm country. No starting from seed, this idea is standing strong as a proven, already-constructed solution.

AND BEST OF ALL, IT'S READY THE MOMENT YOU ARE.
